## **Evolving Transcript Standards: Overcoming Challenges and Envisioning the Future**

**THURSDAY, OCTOBER 17, 2024**

Please provide a brief background on your organization and your role.

How does your organization use data standards, and specifically transcript data standards?

What challenges have you encountered working with these standards? What have you learned from this?

How do you envision transcript  
data standards evolving?  
What would you like to see  
changed?
