PESC Announces March 2025 Data Summit in Arlington, VA

Washington, D.C. – January 2, 2025 - The Postsecondary Electronic Standards Council (PESC) is pleased to announce its upcoming Data Summit, scheduled for March 19-21, 2025, at the Hilton Arlington National Landing in Arlington, Virginia.

This in-person event will convene leaders, educators, and innovators from higher education and technology sectors to explore the latest trends, technologies, and standards shaping the future of educational data.

Key Highlights of the March 2025 Data Summit:

- **Develop Data-Driven Strategies:** Engage with keynote presentations and panel discussions led by industry pioneers, focusing on emerging technologies and innovative practices transforming education.
- **Connect with Industry Leaders:** Network with a diverse community of higher education technology and data specialists to share ideas, build partnerships, and expand professional networks.
- **Professional Development:** Gain insights from thought leaders driving change in the education sector, offering perspectives on current challenges and opportunities in educational data.
- **Collaborative Culture:** Participate in interactive sessions designed to provide practical skills and knowledge, with topics including data interoperability, transcripts, standards, and more.

Accepting Community Session Submissions Through February 21, 2025:

PESC is currently seeking dynamic and informative in-person sessions that address various aspects of student data. Submissions are encouraged from higher education professionals, education technology providers, data experts and analysts, policymakers, and researchers. For more information on becoming a Summit speaker, please visit www.PESC.org.

Registration Information:

- PESC Early Bird Member Rate: USD \$795
- Early Bird Non-Member Rate: USD \$950

The conference package includes breakfast on two mornings, refreshments, luncheon, evening reception, and access to all general sessions.

Venue Details:

- Hilton Arlington National Landing
2399 Richmond Highway
Arlington, VA 22202 USA

Limited discounted room rates of USD \$276/night are available until February 21, 2025. Reservations will open soon.

For more information about the March 2025 Data Summit, including program details, registration, travel, and sponsorship opportunities, please visit the event page at <https://pesc.org/mar25-data-summit/>.

###

ABOUT PESC:

Since 1997, PESC Members have come together to identify, research, develop and promote the adoption of interoperable data standards and methods across the postsecondary education P20W ecosystem. Our work includes the development and reuse of common data schemas leveraging XML, EDI, JSON and JSON-LD. PESC advocates for the widespread adoption of automated connections that enhance data efficiency. These connections ensure secure and repeatable interchange across specialized administrative, financial, and academic domains. PESC is annually sponsored by [AcademyOne](#), [National Student Clearinghouse](#), [Parchment](#), [EducationPlannerBC](#), [AACRAO](#), and [ECE](#). For more information, please visit www.PESC.org.
